

WORK 4A LIVING

A COMMUNITY CARE MINISTRY
OF CHRIST CHURCH PAARL

YOU have potential.

Looking for work does not
have to be hopeless. In fact,
there are more jobs out there
than you realise.

JOB READINESS COURSE

R150

Course duration: 2.5 weeks

If you are looking for a job sign up for this foundational course at our Christ Church Paarl Centre! You will learn skills relevant to getting employed or starting your own business. After successful completion of the Job Readiness course, you'll have access to our job centre and other opportunities to learn more skills or further your education.

WIRED 4 BUSINESS

R150

Course duration: 6 weeks

This is a facilitated 20 session course, supported by 10 sessions of group-based mentoring, designed to get you to start and grow a business. WIRED 4 Business will teach you social media marketing, sales techniques, business plans, break-even point, paying yourself, record keeping, merchandising and so much more. The course is presented partly at our centre and partly online.

UPSKILLING

- Upon completion of either of the above courses, you can access one or more of the many skills courses available.
- Our skills programmes include Cashier, Merchandising, Office Administration, Computer Skills, Barista Training and more.
- Practical courses such as Barista Training are run at our Centre, whereas many of our other skills courses can be done at our Centre, or as online courses.

WORK 4A LIVING
