A COMMUNITY CARE MINISTRY
OF CHRIST CHURCH PAARL

YOU have potential.

Looking for work does not have to be hopeless. In fact, there are more jobs out there than you realise.

JOB EXCELLENCE COURSE

R150

Course duration: 2.5 weeks

If you are looking for a job sign up for this foundational course at our Christ Church Paarl Centre! You will learn skills relevant to getting employed or starting your own business. After successful completion of the Job Excellence Course, you'll have access to our job centre and other opportunities to learn more skills or further your education.

BUSINESS 101

R150

Course duration: 6 weeks

This is a facilitated 6 session course offered to those who have completed the Job Excellence Course. It is supported by group-based mentoring, designed to get you to start and grow a business. Business 101 will teach you social media marketing, sales techniques, business plans, break-even point, paying yourself, record keeping, merchandising and so much more. The course is presented at our Centre.

UPSKILLING

R500

- Upon completion of either of the above courses, you can access one or more of the many skills courses available.
- Our skills programmes include Cashier, Merchandising, Office Administration, Computer Skills, Barista Training and more.
- Practical courses such as Barista Training are run at our Centre, whereas many of our other skills courses can be done at our Centre, or as online courses.
